|---|---|-------------------|
| <p>October 2002 (Cont.) Loma Linda University (LLU). The proposal also provided additional information for two off-campus sites in South America (Peru and Argentina) that had been previously denied by the Committee in July 2000. The Panel acting on behalf of the Committee approved the Systems Review including approval for the Peru and Argentina sites.</p> | <p>Spring 2006 Argentina = 4</p> | <p>1</p> |
| <p>May 2004 Substantive Change Action: WASC staff acted on behalf of the Committee to approve an expedited review of two international MS in Nursing programs. One will be offered at the Universidad Adventista del Plata in Argentina and one will be offered at Mission College in Thailand.</p> | <p>Spring 2006 Argentina = 4</p> <p>Fall 2006 Thailand = 22</p> | <p>0</p> <p>0</p> |

January 2005

Staff Review: An expedited report of Loma Linda University's proposed AS to BS program in Nursing program at Saniku Gakuin College in Japan was reviewed by WASC staff on January 6, 2005. Staff advised that Loma Linda University may implement the program with the understanding that a revised MOU be submitted to the WASC office by March 2005.
